FOREWORD

WHAT IS A HIGH SCHOOL?

When you think of a high school, what do you see?
This is the picture that comes to me:
A high school is people—teenagers and all.
It's assemblies and classes and a rush in the hall.
It's fun in the lunchroom, the race to the line;
It's friendship and laughter as together we dine.
It's panic at report cards; it's red and gray;
It's thrills and excitement and memories that stay.
Suspense fills the hallway, and rivalry's keen.
Laughter and buzz sessions together may team.
A high school means projects and clubs with their fun,
And everyone working 'till all tasks are done;
Tense moments at ball games—Will we win or not?
That "Fighting Rebel" spirit means more than we thought!
What is a high school? What is its story?
We shall tell it here in all of its glory!

**THE RAPPAHANNOCK HIGH SCHOOL FOOTBALL TEAM
AND ITS COACH, MR. FRED PITMAN.**

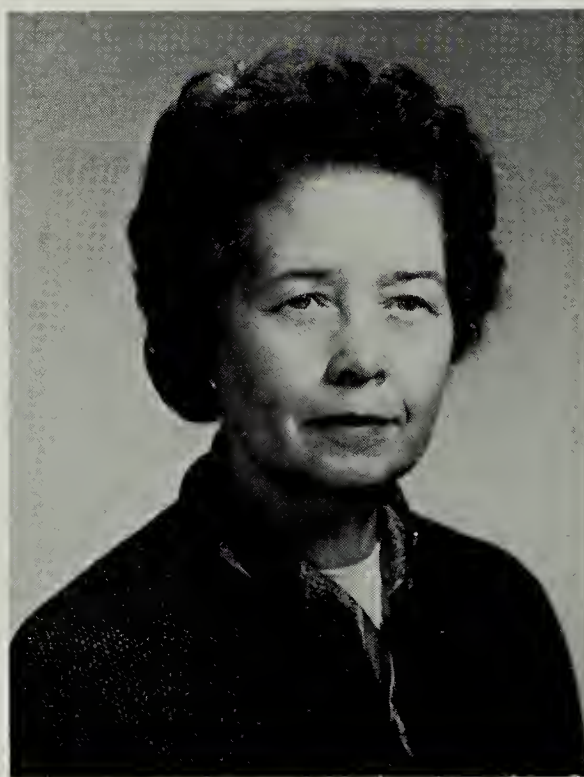

ADMINISTRATION

JAMES N. STOVER, our principal, attended Randolph Macon and Madison Colleges. He holds B.S. and M.S. degrees in Secondary Education from Madison. His interests are varied.

In addition to teaching chemistry, physics, and Algebra III, DILLARD HALEY is also our assistant principal. He holds a B.S. in Education which he obtained at the University of Virginia. His hobby is fishing.

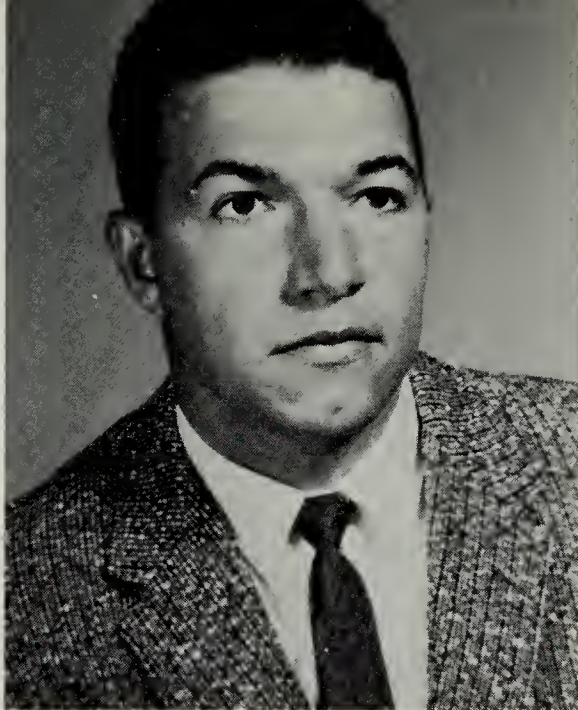

BLANCHE E. McKINNEY, an alumna of Mary Washington College, holds a B.S. degree in English and History. She has done graduate work at the College of William and Mary. Aside from being guidance counselor, she teaches English 12A and 12B. Her hobbies are refinishing furniture and sewing.

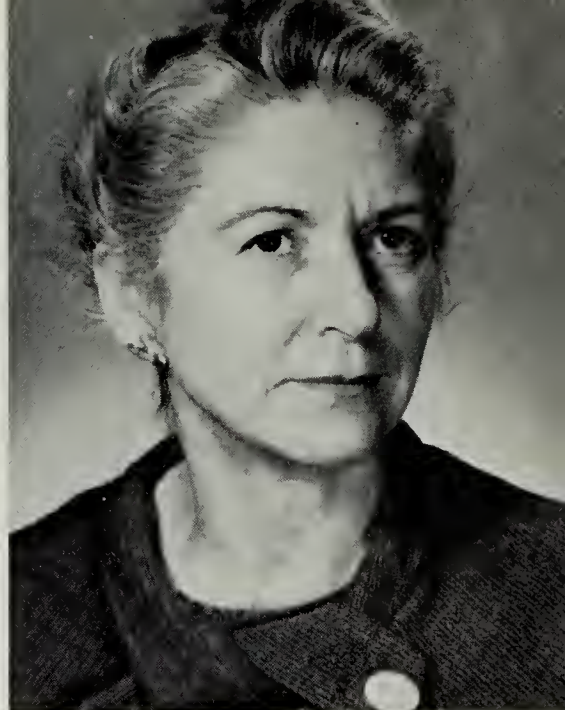

MARGARET F. LEWIS, who serves as secretary to the principal, attended Baltimore City College and American Business School. Her interests include reading, gardening, needlework, and baking.

Home economics is taught by VIRGINIA S. ALTAFFER who holds a B.S. in Home Economics Education from Mary Washington. Antiques, reading, and travel occupy her spare time.

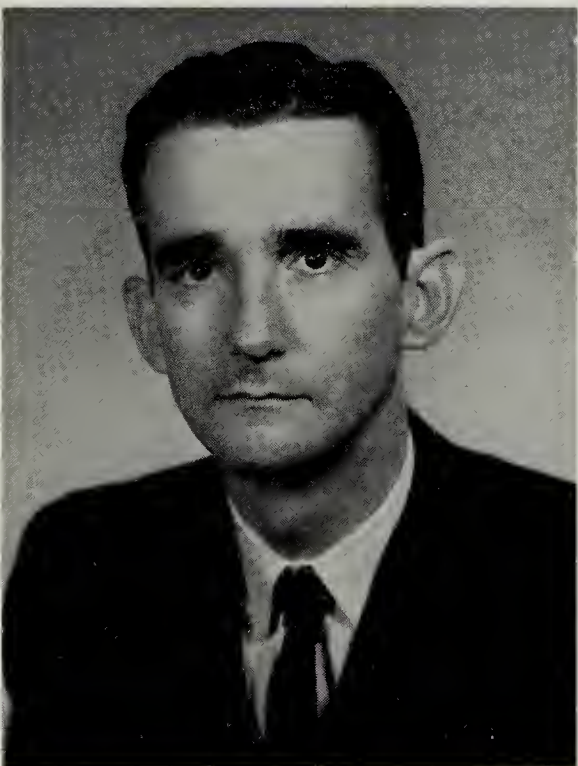

PHILLIP E. BARNARD teaches Agriculture II and III, General Mechanics I, woodwork, and metal work. At V.P.I. he obtained his B.S. in Agricultural Education. In his spare time he enjoys shop work, hunting, fishing, and sports.

Aside from serving as librarian, LUCILE H. BOOKER teaches French I and II. She obtained a B.S. degree from Mary Washington College and also attended the College of William and Mary. Her interests include her family, reading, and collecting and refinishing old furniture.

U. S. History 8, agriculture, and general mechanics are taught by E. D. BOOKER. He attended the University of Richmond and V.P.I. where he received a B.S. degree in Business Administration, and in Agricultural Education. He enjoys sports, hunting, fishing, and farming for recreation.

Distributive Education is taught by JESSE C. CASEY. He was graduated from Jones Junior College with an Associate of Art degree, from Longwood, a B.S. degree in Business Education, and he has done work at R.P.I. in D.E. Hobbies include music, fishing, swimming, and small game hunting.

World history and homemaking are taught by LOUISA G. CHRISTOPHER. She obtained her Normal Professional while attending Longwood. Other institutions attended include V.P.I., University of Tennessee, and Mary Washington. The youth of the country is her main interest.

In addition to teaching English and Typing I, MARTHA WEBB DELANO enjoys reading, antiques, theatre, and bridge. She received her B.A. degree from Longwood in Farmville, Virginia.

Teachers are seldom appreciated and yet it is they who are responsible for most of our mental development. Besides teaching classes, you can find them cheerfully participating in other activities where they come into contact with the students even more. We should realize that our teachers are molding us into the citizens of tomorrow.

English II and Latin I and II were taught by PAULINE E. DELANO second semester. An alumna of Madison College, she holds a B.S. degree. Her hobbies are reading, cooking, and enjoying her family.

RUBY T. DELANO attended Madison College where she received her B.S. degree. She teaches biology and science. Her spare time interests include sewing, reading, traveling, and her family.

Juniors and freshmen were taught English by SUSAN P. DOWNING first semester. Second semester she taught English, world history, and world geography. She attended Westhampton College and the University of Richmond where she received her A.B. degree. Music and spectator sports—football or basketball—are her favorite interests.

Students of Math 8 and 9, Algebra I, and geometry are taught by CATHERINE V. EDWARDS. She attended Mary Washington, Madison, and the University of Virginia, and holds a B.S. degree. Teaching, sewing, and reading are her favorite interests.

MARIANN H. HORNLEIN, an alumna of Trenton State College and Duke University, taught English, world history, and world geography during the first semester. She holds a B.S. and a Master's Equivalency in Education; she enjoys reading, fishing, swimming, and sewing.

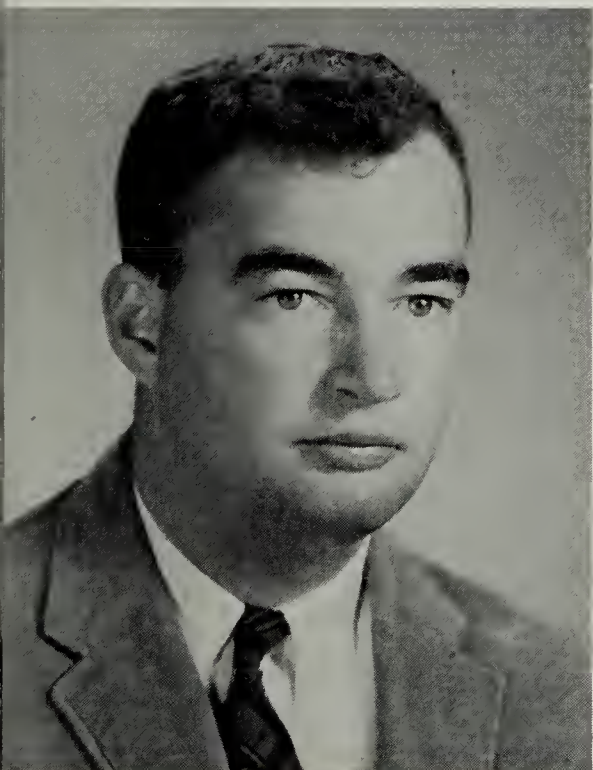

Besides teaching Algebra II, geometry, and general mathematics, T. GILES HUDSON enjoys farming and sports. He attended Randolph-Macon where he received his A.B. degree.

United States and Virginia government and history, and English 9 are taught by THELMA T. LOWERY. At Mary Washington College she obtained her B.S. degree. Her favorite pastime is watching television.

Budding young drivers are instructed by HELEN PALMER, who also teaches girls' physical education. She attended Virginia Intermont Junior College, and received her B.A. degree in Physical Education at the University of South Carolina. For recreation she fishes and bird hunts.

Boys' physical education is taught by FREDERICK D. PITMAN, who has a B.A. degree from Lynchburg College. His main interest is sports.

MIRIAM RICE, alumna of Madison College, University of Virginia, and R.P.I., teaches choral music. Her interests include music, reading, languages, sewing, cooking, and sports.

ELIZABETH LOWELL RYLAND taught English 11 and Latin I and II the first semester. She was graduated from Vassar College with an A.B. degree. Her interests include sewing, cooking, ancient history, archaeology, concerts, plays, museums, and travel.

Potential secretaries and executives are taught bookkeeping, Shorthand I and II, general business, and Typing II by ANNA MAE SANDERS. A graduate of Longwood College, she holds a B.S. degree. She finds that trying new recipes, playing bridge, traveling, and fishing are her favorites.

BEHIND THE SCENES

SCHOOL BOARD

MEMBERS OF THE BOARD—Mr. W. A. Barrack; Mr. Richard W. Gouldin, Chairman; Mr. J. Gladwyn Balderson; Mr. Robert T. Ryland, Superintendent; Mr. W. B. Harrison.

The Richmond County School Board is comprised of four members, one from each magisterial district of the county. Stonewall District is represented by J. Gladwyn Balderson, Marshall District by Richard W. Gouldin, Washington District by W. B. Harrison, and Farnham District by W. A. Barrack. The School Board members are appointed by a school trustee electoral board and serve four year terms, one member's term expiring each year in order that the Board will be continuing. It is the responsibility of the School Board to set policy and act on matters referred to it by the school system's administrator, the Divisional Superintendent. It is the duty of the School Board to determine the needs of the school system and, within its capabilities, see that these needs are provided.

The School Board is the liaison between the people of Richmond County and the Virginia State Department of Education representing the State of Virginia. All Board decisions must be made within the framework of the laws of the Commonwealth of Virginia and the regulations of the State Board of Education.

—Richard W. Gouldin, Chairman

PARENT-TEACHER ASSOCIATION

OFFICERS—Mr. William Johnson, Treasurer; Mrs. Virginia A. Sanders, Secretary; Boyd S. Clements, President; Mrs. Peyton Fidler, Vice-President.

The Rappahannock High School Parent-Teacher Association (PTA) is an association of parents, teachers, and other individuals interested in the proper teaching, training, and welfare of the youth in both school and community activities. Membership is by annual enrollment dues; one portion of the membership dues goes to the state Congress of Parents and Teachers while another goes to the national organization. The local unit is in the Rappahannock Valley District and is in membership with the state and national organizations.

The primary objectives of the PTA are:

To promote the welfare of children and youth in home, school, church, and community.

To bring into closer relationship the home and the school, that parents and teachers may cooperate intelligently in trying to provide that which is necessary for the proper training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

The Rappahannock High School PTA, in accordance with the constitution and by-laws, has its regular meetings at 8:00 p.m. on the fourth Tuesday in September, November, January, March, and May, with the executive committee meeting at 7:00 p.m. on the same nights.

THE EIGHTH GRADE STEPS INTO A NEW LIFE AT A NEW SCHOOL

ORGANIZATIONS

Co-Editor, Glenda Dameron; Publication Advisor, Mrs. Anna Mae Sanders; Co-Editor, Doris Delano.

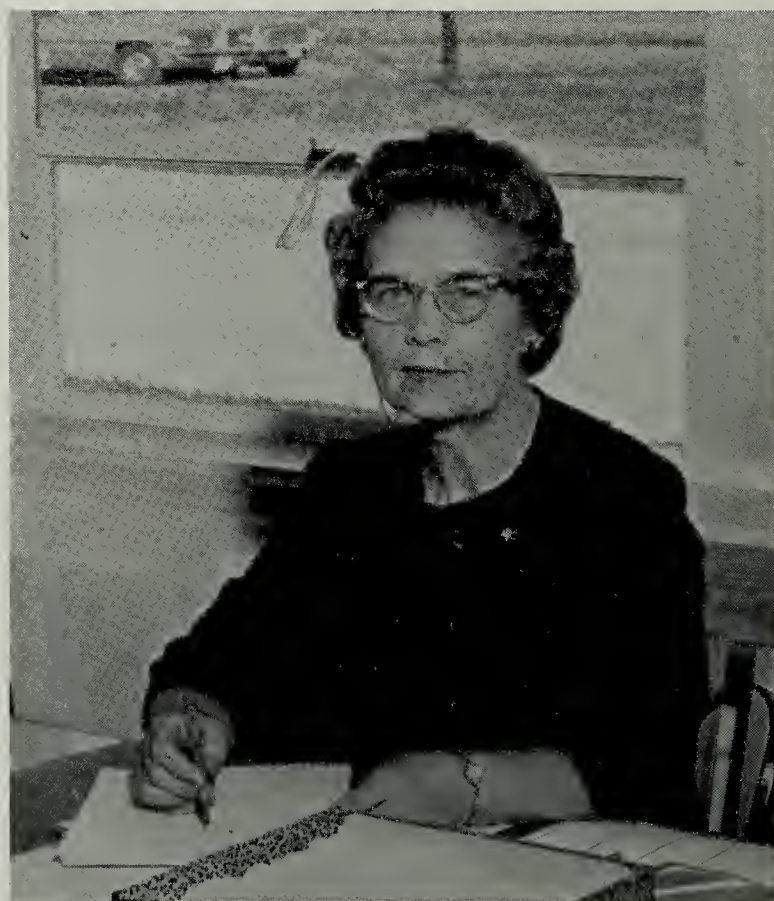

The CONFEDERATE is published annually by a staff which includes thirty students. Their work commences in September and ends in June.

The staff endeavors to make the CONFEDERATE of vital interest to the students, and at the same time to maintain the high standards required of a quality yearbook. This year we are especially proud of our yearbook because it is informative as well as pictorial.

In the spring, volunteers are selected from the student body on the basis of ability. Abiding by school regulations, the co-editors cannot hold other major offices.

We have tried to present our school and the work we do because we are proud of Rappahannock High School and its accomplishments.

In September our School Service Project, that of selling used books at school, was successfully undertaken with a turnover of approximately forty books.

A handbook committee was appointed which is now preparing a handbook for the coming year.

On February 22, 1964, a delegation from the SCA attended the Virginia High School Forum held at Thomas Jefferson High School in Richmond.

A clothing drive for the "Save the Children's Founda-

tion" was conducted March 16-27. Eleven bags of clothing were collected.

In March a Code of Ethics was adopted. This code is designed to promote better moral values in the student. A dress code is to be adopted in the near future.

Rod Coggin was elected to serve as Vice-Chairman of the Rappahannock Valley District Meeting to be held at Lancaster High School this coming year.

Hinton, typist; Frances Allen, Shirley Marks, Head Typists; Lynn Revere, Rose Boyle, Doris Delano, Elizabeth Pierson, Sally Clements, Typists.

The staff of the REBEL YELL has succeeded in accomplishing its main purpose. This purpose was to give students the benefit of working with this type of publication, to encourage and publish creative writing of students, and to provide a medium of expression for the students. It is believed that the newspaper gives students the opportunity to display their literary talents through an outlet of creative writing.

The staff has published six issues of the REBEL YELL which have been distributed to approximately 190 subscribers. This has been accomplished through the cooperation of staff members, advisors, faculty members, class reporters, typing classes and the student body in general.

The REBEL YELL has met with some degree of financial success this year. It is the hope of the staff that next year's newspaper will prove to be even more successful.

Mimeographers Ken Jones, Fred Gouldin, Chris Sanders, and Leonard Rock are preparing for publication.

Artists are deciding on *Rebel Yell* cover. Seated: B. Delano, L. Hammack. Standing: E. Fuller, L. Wertman.

Co-editors Virginia Teese and Gene Brown are proof-reading stencils.

The Future Business Leaders of America is sponsored by the National Business Education Association, a Department of the National Education Association of the United States, with offices in Washington, D. C. Phi Beta Lambda is the College Division of FBLA.

FBLA is designed particularly for those students who are looking forward to careers in business. One of its chief objectives is to develop strong, aggressive leadership so that these future businessmen and women may participate more effectively in the business and community life of which they are part.

Membership in the FBLA is open to any student who is taking one or more business subjects. Nineteen old members welcomed nineteen new members in September.

Dropout, no; diploma, yes!

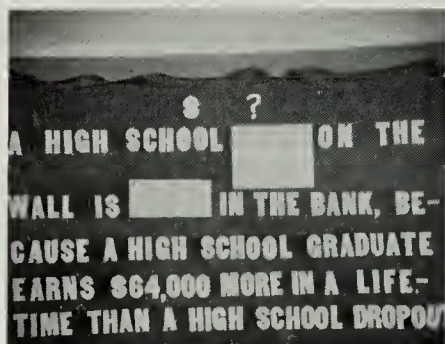

We are proud of our new members!

Virginia Polytechnic Institute's Phi Beta Lambda sponsored a Spelling Project in which all members enrolled in a business subject participated. The students who scored 100 and received a certificate were Doris Delano, Sally Clements, Virginia Teese, Ola Lemon, and Bertha Lewis.

"Today Student Leaders — Tomorrow Business Leaders" was the theme of the year's activities. Programs during the year included a radio script, "Station FBLA"; a skit, "Girl Behind the Machine"; timed writing contests, "Race of Time"; panel on parliamentary procedures; a spelling bee; a speaker, Mrs. Robert C. Sanders, "What the Employer Looks for in an Employee"; and installation of new officers.

BETA CLUB STRESSES SERVICE TO OTHERS

Betas display their artistic ability.

You had better keep up those grades! New members are B. L. Johnson, B. Hinson, F. Gouldin and W. Brown.

Southern Belle, Shirley Beasley, and Johnny Reb, A. D. Davis.

The Beta Club is a National Honor Society originating in Spartanburg, South Carolina, in 1933. It derives its name from the middle letter of the collegiate honor society, Phi Beta Kappa. The motto of the Beta Club is "Duncamus Allis Serviando" which means, "Let us lead by serving others." Its purpose is to stimulate effort, reward achievement, and encourage its members to continue their education after high school. The Beta Club promotes ideals of honesty, service, and leadership through service projects and annual State Conventions.

This year the Rappahannock High School Beta Club has had among its projects the preparing of bulletin

boards at the beginning of school to welcome the students. In October our school was host to College Day. Members of the Beta Club served as guides on that day.

The highlight of the Beta year was the State Convention, held in Roanoke this year. Rappahannock was represented by nine members, who also served as tellers for the State Election.

Each year the Beta Club has an assembly program to inform students of the purposes and objectives of the Beta Club. At the conclusion of this program, four new prospective members were tapped.

“STAY IN SCHOOL” SPECIAL PROJECT FOR FHA

“Toys of yesterday” exhibited by
Homemaking 10.

New life for old furniture.

The Future Homemakers were very active this year sponsoring many projects and activities.

Faye Burgess, chapter president, represented our school at FHA convention in Roanoke while Bonnie Bowis, federation president, attended National Convention in Kansas City.

The chapter chose as its special project for the year “Stay in school.” Various speakers talked at chapter meetings on the importance of staying in school. Some of the members visited drop-outs and urged them to return to school; others coached students who were having difficulty with their subjects.

Other activities included the preparation of bulletin boards and exhibits for the halls; the collection of records, jewelry, and aprons for the Lynchburg Colony; the remembrance of faculty and maintenance workers; the organization of a “Clothes Rack” for people to choose from and use; and a joint FFA-FHA outdoor spaghetti supper for students, parents, faculty, and other school officials. The chapter also adopted a family which included children of school age. It constructed needed clothing for them and remembered them at Christmas with appropriate gifts.

One of the highlights of the year is the observance of FHA Week. The week was celebrated by remembering the teachers with flowers, by fixing a bulletin board for the home economics department, by entertaining the Northern Neck home economic teachers, and by inviting Mr. Stover to lunch.

Mrs. Gus has added the special touch.

FUTURE FARMERS HAVE SUCCESSFUL YEAR

ROW I: Mr. Booker, Advisor; Wayne Pierson, Sentinel; Albert Parr, Reporter; Richard Elmore, Secretary; Billy Bryant, President; Chris Sanders, Vice-President; Mervin Boyle, Treasurer; P. E. Barnard, Advisor. ROW II: Dillard France, Gregg Hayes, Oren Pierson, Fred Mothershead, Kermit Thomas, Charles Pinkard, Robert Self, Dennis Oliff, Norman Packett, J. D. Dawson, Jr., Billy Elliott, Billy Morris, Jimmy Withers, Bobby Mallory, George Tallent. ROW III: Eric Fuller, Bobby Hinson, Roger Hanks, Everett Lewis, Bobby Miles, Michael Anthony, John Jones, Robert McKenney, Jimmy Parr, Johnny Clark, Wendell Derrickson, Randy Bowen, Albert Parr, Corky Davis.

The Richmond County Chapter of Future Farmers of America had a very successful school year. The entire group of thirty-eight boys and two advisors worked harder this year than ever before to be an outstanding chapter in the Virginia Association. Under the direction of Billy Bryant, president, and Mr. Barnard, advisor, every officer and committee chairman has done his part to make our organization better.

Although many boys have done outstanding work at times, two members of our chapter, Billy Bryant and Bobby E. Hinson, have been superior in all phases of FFA work.

Billy has been president of our chapter and vice-president of the degree team. He is a candidate for the State Farmer Degree and the Arca Livestock Farming award. He will compete for a state FFA office to succeed Bobby L. Hinson, former member of our chapter and present State FFA Vice-president.

Bobby Hinson has been president of the Northern Neck Federation and chapter Degree Team. He will represent the Federation in the Eastern Area Public Speaking contest. He is a candidate for the State Farmer Degree, Eastern Area Star State Farmer, Area Dairy Farming Award, and the Area Farm Mechanics Award.

The chapter is a candidate for the National Emblem Chapter Award, the Area Farm Safety Award, the Arca Outstanding Chapter Award, the Superior Chapter Plaque, and the Arca Degree Team Plaque.

B. Hinson, Federation President, Area Star State Farmer; Mr. Barnard, Chapter and Federation Advisor; B. Bryant, Chapter President, State Farmer.

Judging Teams — ROW I: B. Hinson, Public Speaker; M. Boyle, Tractor Driver. ROW II: G. Hayes, R. Elmore, D. Oliff, Forestry Team. ROW III: C. Pinkard, J. D. Dawson, W. Pierson, Farm Mechanics Team; Mr. Barnard, Advisor.

The DECA Chapter of Rappahannock High School with Jesse C. Casey as sponsor has had a most rewarding year. In November some members of the club were given a tour of Richmond Professional Institute.

Then in February the class, Mr. Casey and Marion Smith, a student teacher, took a field trip to Richmond where they were shown behind the scenes at the Times Dispatch Building and the display department of Miller & Rhodes.

In March the club participated in the annual District DECA Contests at George Wythe High School in Richmond. There Lynn Revere won first place in "D.E. Student of the Year."

Cullen Johnson, a famous speaker, delighted the group at its Annual Employer-Employee Banquet where the students showed their appreciation to their sponsors for giving them a place to learn and to work. At the banquet the club awarded Mr. Bland Seward an honorary life membership in DECA.

This year, 1963-1964, has been a most successful and rewarding one, and the students who plan to take D.E. next year look forward to the same.

4-H STRESSES PERSONAL ACHIEVEMENT

A banquet was given at Lowery's Restaurant for 4-H'ers who had achieved recognition in their projects. Awards were presented at that time for the year's work.

Many attended Short Course at Blacksburg, various camps, and participated in the Northern Neck State Fair. Each of us is again looking forward to the summer and its activities.

We expect to observe National 4-H Club Week and Rural Life Sunday to acquaint our communities with our club work.

A Light Horse and Pony Club was formed as a new project and the members are thoroughly enjoying themselves.

The District contests are to be held in Warsaw in April. Various members are planning to enter the competition in fields such as: food and nutrition, dress revue, public speaking, electricity, breads, dairy and poultry foods, tractor driving, and livestock judging. Eleven girls and eighteen boys will compete.

Accomplishments through 4-H Club work are one step toward training boys and girls to become better citizens.

THE LIBRARY CLUB ASSISTS IN LIBRARY ORGANIZATION

Halloween can be constructive, too.

Elaine, it's a hard choice to make, isn't it?

The Library Club has had a successful year having worked diligently towards fulfilling its purposes. Since the club is composed of library assistants and other students interested in books and library improvement, the success of the club is closely related to whatever success can be claimed by the library itself. Without the work of the library assistants the library could not function smoothly.

Reading has increased this year. At the end of a seven and one-half month period 1,880 non-fictions and 3,514 fiction books had been circulated. Students are reading better books. This marks a step toward the accomplishment of our main purpose to encourage students to read more books and to read books of greater

literary value.

Members of the club have kept the library attractive with appropriate bulletin boards. They have assisted in processing books and shelving them, in typing cards and in keeping the library in order.

Programs held by the club have included: an outside speaker, Mrs. Dabney Welford; book reviews by members; debates by the school debating team; library instructions; and a story-writing contest. National Library week was observed as was teacher appreciation week.

At the end of the school year the club awards a library pin to the member who has contributed most to the library during the school year.

The Rappahannock Glee Club is to be commended for upholding its reputation for fine choral singing. The seventy-one members have put forth a great deal of time and effort to make it one of the best.

Since the school is newly consolidated, it was necessary for the members to sell candy in order to buy the necessary risers.

Under the direction of Mrs. Miriam Rice, choral director, the club displayed its talent at the Christmas Concert and at Sabine Hall where they sang for the Senior Woman's Club.

In April the Madrigal group performed for the Richmond-Westmoreland Counties Virginia Education Association. They also took part in the joint Holy Week services held at Warsaw Methodist Church. The club took an active part in the dedication services of our school.

Perhaps the most exciting activity was the Spring Concert held on May 1, in the school auditorium.

Strains of harmony ushered out the year with another fine performance of showmanship shown at the Baccalaureate Sermon and Commencement Exercises. The seniors left Rappahannock with an air of nostalgia and with a knowledge of music.

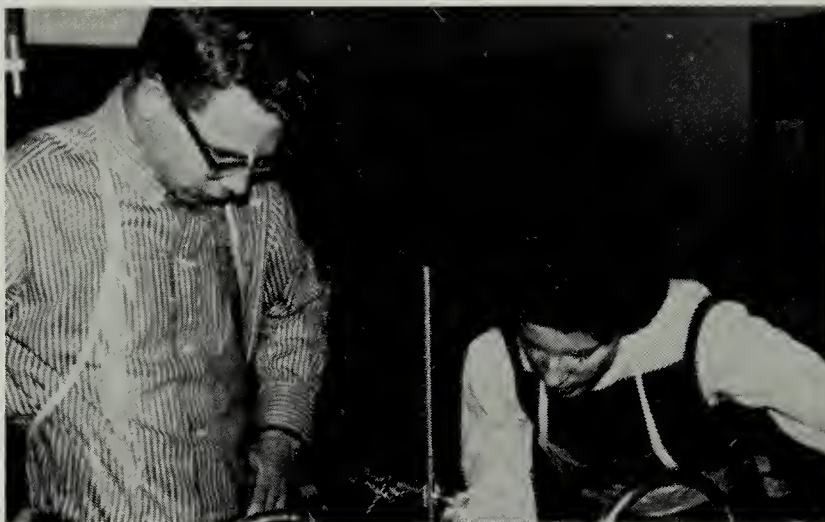

The Glee Club would not have been able to thrive this year without the assistance of our accompanists.

SCIENCE FAIR — HIGHLIGHT OF THE YEAR

The Rappahannock High School Science Club, affiliated with the Science Clubs of America, is an organization which seeks to stimulate an increasing knowledge and understanding of science. The Science Club provides ample scope for the development of leadership, responsibility, initiative, and creative ideas among the student members. Upon joining the club, each member is obligated to pledge his allegiance to the by-laws and actively participate in a group whose purpose is to develop science interest and talent.

During the year, the club has greatly profited from such fields of study as partnership among plants and animals, significant characteristics of rocks, and the formation and discovery of caverns.

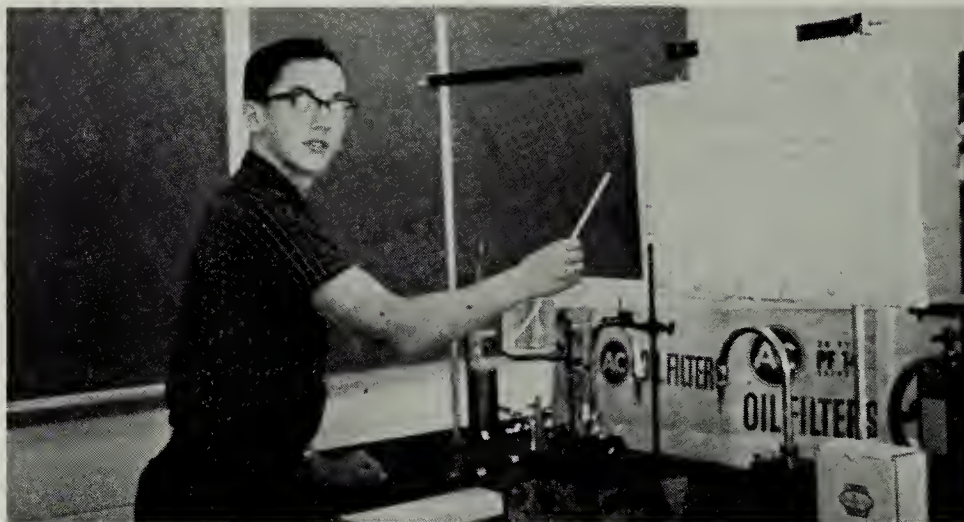

The highlight of the year is the Science Fair, an event dedicated to inspiring greater interest among students in the fields of pure and applied science. It is a collection of exhibits, each of which is designed to show a biological, chemical, physical, or technical principle. To win, an exhibit must be individually made and declared best by the judges, in which case the winners from our club will receive a science fair pin.

ATHLETICS

FOOTBALL

HIGHLIGHTS

For the first time in the history of Richmond County, Rappahannock High School fielded a football team in the fall of 1963. The Rebels' first experience on the gridiron proved to be a successful and exciting one. Compared with other teams in the area, the team's final record of two wins and three losses proved a tribute to every one of its members.

The Rebels' first game against King George High resulted in the season's only one-sided final score. Suffering from "first-game jitters," the Red-Gray allowed the Foxes a quick first quarter score and finished the game on the short end of a 48-19 score.

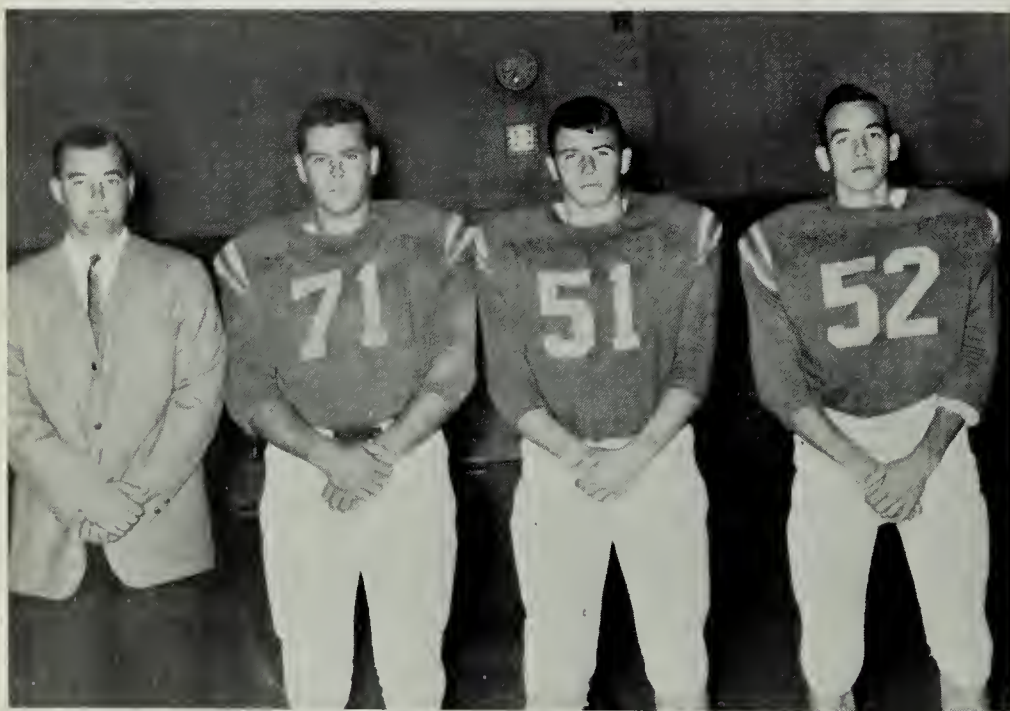

Following the first game loss, the Rebels roared back and defeated King William High 20-6. The final two losses of the short season came at the hands of Washington & Lee High School and the Indians of Northumberland High. After scoring first in both contests, the Rebels fell to defeat by the identical scores of 20-7. In a tight defensive game played between the final two losses, the Rebels defeated the JV's of Christchurch School 7-0.

Business and professional men in our community raised almost \$2,000 to buy the initial order of football equipment. Bill Wright, former University of Virginia player; Bill King, former coach at Petersburg High, and James N. Stover, Principal, assisted Coach Pitman. Their interest and support are appreciated.

Coach Pitman commended Johnny Gray for the weekly news articles and James Smith for being a superior manager.

GIRLS' BASKETBALL TEAM GAINS EXPERIENCE

A very excited and optimistic Rebelette team opened its season with a victory over Caroline. The first quarter found the Rebelettes behind 7-4. The girls then scored 13 points to Caroline's 4 and at the half the score stood 16-11, Rappahannock. At the beginning of the third period the Cardinals tied the score. However, the Rebelettes were not to be stopped and with victory in sight settled down to steady ball playing. When the final buzzer had sounded the Rebelettes had overcome Caroline by a score of 25-19.

On Friday, December 13, the Rebelettes played Tappahannock. The end of the first quarter found the Warriors ahead 12-6, and at the half 21-7. The Rebelettes revived in the third period and outscored the Warriors by 4 points. It was not enough, however, and the final score was 39-17, Tappahannock.

The Rebelettes played their first game away from home at Lancaster. At half-time the score was 23-9 in favor of the Red Devils. The third quarter found the score 28-16. As the fourth period progressed so did Rebelette teamwork. The game took on

a new light, but time was ticking away. As the game ended the score stood 36-31, Red Devil victory!

Lancaster returned the game at the beginning of the New Year. The first half was close with Lancaster leading by only a slim margin of 14-11. However, the opposition overpowered the Rebelettes in the second half, and the game ended 29-14.

The Indians of Northumberland played the Rebelettes their next game. The score at half-time was 20-13 in favor of the Indians. The second half proved disappointing for the Rebelettes and the final score was 40-25.

The Rebelettes went to Tappahannock for a game which the Warriors won, 46-20.

The Tigers of W & L handed the Rebelettes another defeat on January 24; the score was 32-10.

The final game of the season was the most disappointing and unsuccessful for Rappahannock's Rebelettes. Northumberland outscored them 54-7.

Now that's what I call getting up in the air about the situation.

REBELS SHOW IMPROVEMENT

Four out of five of Coach Pitman's starting Rebels returned this year along with a large percentage of the bench, which was supplemented by the junior varsity.

The Rebels got off to a promising start, but hit a slump in mid-season. Nevertheless, they managed a couple of wins at the end of the season to boost their record.

High scorer for the Rebels was Larry Lewis with 172 points. Ed Smith and Johnny Lewis followed with 120 points and 116 points, respectively. A. D. Davis hit for 41, Roger Hanks, 24; Leonard Rock, 23; Billy Clark, 19; and Larry Altaffer, 16.

Coach Pitman realized a great mark of improvement in the team throughout the year and hoped that the momentum would carry into next year.

CO-CAPTAINS—

Our Coach, Mrs. Catherine V. Edwards

This sure ought to give us a couple of points.

While our football team was enjoying its first year on the gridiron, we cheerleaders were experiencing our first year on the football sidelines cheering for our Rebels. Along with finding it a lot of fun, it proved to be a challenge which we were proud to meet.

Every Friday afternoon found us perched on shaky ladders taping streamers to the goal posts, and every Friday evening, hoarse from screaming, "Hold that line!" "Push 'em back!" "We want a touchdown!"

To put the finishing touches on a wonderful new experience, and to show our Rebels how proud we were of them, we prepared a gala feast with music and dancing following the final game of the season. For some, it was a time to look back and remember; for others, a time to look forward—forward to another year, another game, another team to defeat.

With the end of football season, came the beginning of basketball season which, for us cheerleaders, meant hard work and

I still think it looks like a big fight.

every-day practice under the coaching of Mrs. Edwards. New cheers had to be made up; old ones, improved. As the first game approached, one could feel a wave of excitement sweep through the school as new signs and posters urging our teams to victory filled the halls.

Now, a new kind of excitement and a different kind of game drew our Rebel rooters to the stands. The thrill of over-times, tight games, close scores, and precision shooting of basketball overshadowed the ruggedness, the vigor, the metal clashing, and the bigness of football.

But basketball season must also come to an end, and we cheerleaders must leave our duties to next year's group. But next year, the biggest part of the thrill will be gone. No longer will we all be "Rebel cheerleaders" together. But then, for others, the glamour will be just beginning, and for them, wonderful times, and wonderful memories are ahead.

After losing their first game of the 1964 baseball season to Tappahannock, Rappahannock won seven straight games and a Co-Championship of District F Group III baseball. Coach Fred Pitman worked extremely hard with his team, greatly improving last year's 4-4 record.

The Rebels had two fine starting pitchers in Roger Hanks and Larry Altaffer. Hanks had a record of 5 and 1, including a no-hitter against Lancaster. Altaffer was 2 and 0, also having to his credit a no-hitter, again at the expense of Lancaster. (Both will be back next year). Roger pitched a total of $35\frac{2}{3}$ innings, with an incredible earned-run average of 0.19. Altaffer pitched $19\frac{1}{3}$ innings; his earned-run average was 2.81.

Leading hitters for the Rebels were Larry Altaffer with an average of .500; Roger Hanks, .416; Leonard Rock, .381; and Chris Sanders and Arnold Smith, .292.

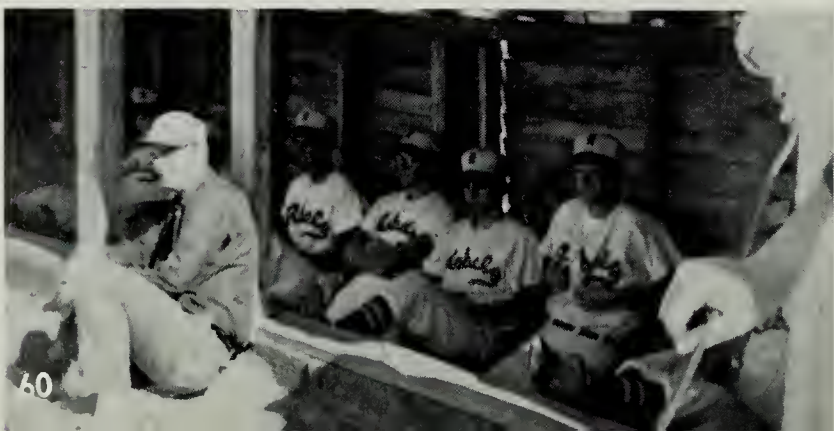

The Rebels stole a total of thirteen bases. A. D. Davis was high man in thefts with four.

REBELETTES WIN AGAIN

Having received a softball trophy the previous year, the Rebelettes anticipated another victorious season!

The season had a wet beginning; our first game with Caroline was postponed.

The following week, however, we met Tappahannock, our arch rival. In the second inning Tappahannock scored 3 runs and thereafter, was never behind. The Rebelettes were able to score only in the fifth inning. The final score was Tappahannock, 13; Rappahannock, 4.

The Rebelettes won the next game from Lancaster by a forfeit.

On April 24, Lancaster's newly formed team overpowered the Rebelettes 16-11.

Tappahannock returned a game to a better prepared Rebelette team which dealt them a surprising and crushing blow, 21-10 win. With this victory our confidence was restored and the Rebelettes played excellent softball.

W & L was next on the schedule; and they were de-

feated 12-6.

Northumberland bowed to R.H.S. on May 12 by a score of 15-10.

At this point the Rebelettes' record was 3 wins in 5 games. With only two games remaining the Rebelettes were determined not to be defeated.

The Rebelettes returned a game with Northumberland. This was a close one all the way with each team playing superb softball. The Rebelettes came through with the final score, 5-0. A shutout victory!

After having been rained out three times the final game was played at Caroline. At the end of the fifth inning Caroline was leading 2-0. A grim, determined Rappahannock scored five runs in the sixth inning and defeated Caroline 5-2.

The Rebelettes are very pleased and proud of their successful record—5 wins and 2 losses. Another successful softball season!

After a successful 1964 season, the Rebel trackmen ran, jumped, and tossed to an even better campaign this year, which saw them finish second in the state to a strong track school, Onancock. The development of a few newcomers to the track scene, to supplement the Rappahannock track "veterans," proved to be the success story this year. The Rebels won their first two meets over Northumberland in their opener, and Lancaster and Caroline in a triple meet. They then dropped their only regular season contest with Christchurch, an all-boys' school. At the Rappahannock Group IB Relays held in Fredericksburg at James Monroe High School, the Rebels

made a fine showing, placing in several events. Sweeping eight first places, they brought the second successive District Championship to Rappahannock. In the State meet the trackmen placed as follows: Dickie Brooks, first in the mile run; A. D. Davis, first in the 440; Larry Wertman, second in the 100 yard dash; Edward Smith, second in the low hurdles; Roger Hanks, second in the high jump; Leonard Rock, third in the shot-put; Everett Lewis, fourth in the discus; and Edward Smith, A. D. Davis, Danny Becker, and Bobby Sanders, second in the mile relay. Congratulations, boys, for an excellent season,

ROW IV: Robert McKenney, Albert Jones, Velma Headley, Nancy Withers, Edna Faye Hinton, Dorothy Reynolds, Ernest King.

The primary function of the Safety Patrol at Rappahannock High School is to assist the bus drivers in transporting pupils safely to and from school. The Patrol is organized to have two patrolmen on each bus. One is stationed at the front of the bus to assist pupils who, on entering or leaving the bus, have to cross in front of traffic. The second patrolman is stationed toward the rear of the bus to guard against unsafe practices by pupils, such as standing up while the bus is moving, putting arms or heads out of windows, tussling with one another, or engaging in any activity that might divert the attention of the driver from the important duty of operating the bus safely.

The Richmond County Junior Rescue Squad was organized in the fall of 1962 by six boys; then in 1963, three girls joined the squad. These girls are the only girls in the state association.

The squad now consists of six active members and two inactive members at college.

The members have answered fifty-five rescue missions and have given first-aid to 326 injured persons at Rappahannock High School.

The squad has given six demonstrations on first-aid and has won three first-aid contests.

CAFETERIA PERSONNEL

Through careful planning, the three cafeteria workers prepare meals of varied menus for the week, meeting all the requirements of good nutrition. Approximately 250 people are fed on two shifts daily.

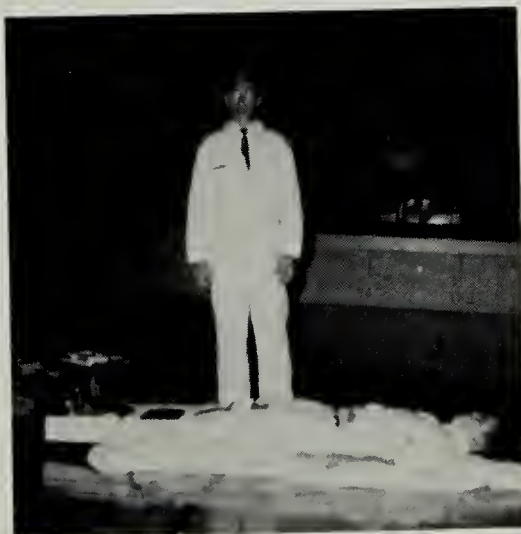

OFFICE ASSISTANTS

ROW I: Shirley Marks, Doris Delano, Naney Withers, Larry Wertman. ROW II: Elizabeth Pierson, Adeline Bowen, Beverly Delano, Virginia Teese, Helen Becker, Lucy Crosley, Mrs. Margaret Lewis.

During study hall or a free period, students assist in office work and run errands. On a rotating basis, members of Shorthand II class receive on-the-job training during first period. These students transcribe and deliver notices containing announcements of the day including an absentee list. Other routine office tasks are performed during the period by these workers.

RAPPAHANNOCK PLAYERS WIN "SUPERIOR" AND "GOOD" RATINGS

Under the direction of Mr. Dillard Haley, the Rappahannock Players staged *Cloudburst*, a one-act tragedy by E. Clark Weaver, in district and state festivals.

The cast of characters included Adeline Bowen as Mrs. Harris, Mary Anna Sanders as Mrs. Tabor, Helen Marie Becker as Millie, Bruce Long as George Gilman, Ben Franklin as Joe Harris, and Garnett Ryland as Ed Harris. Billy Bryant was the stage manager, and Jan Wilson and Pat Packett were the make-up girls.

The Players attained a SUPERIOR rating in the District F play festival, held at Northumberland High School March 13. A GOOD rating was attained in the state festival, held in Charlottesville, March 21.

"Where's Millie?"

"I want this phone in good working order if the weather gets bad."

"Ed? Ed!"

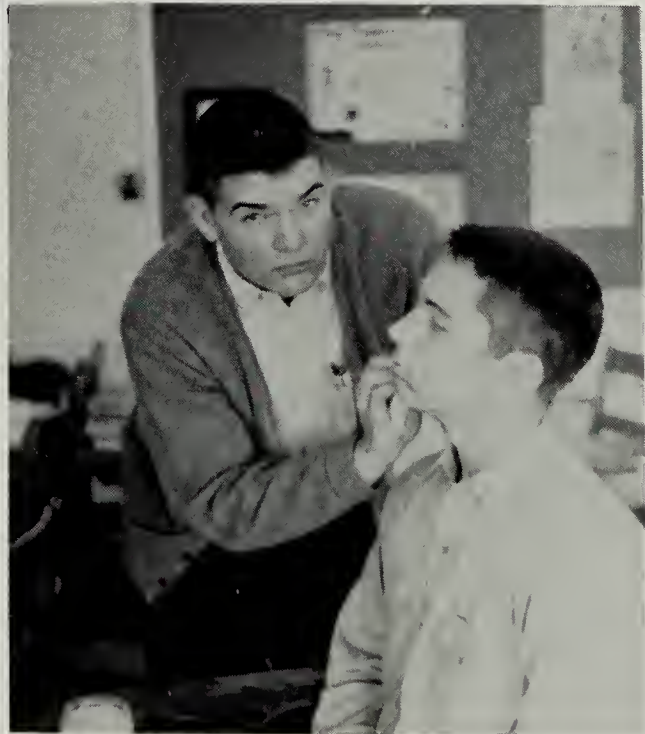

"You'd kill you own son jist fer revenge?"

"Ain't there somethin' we can do fer him?"

"I'm gonna stay here, son, and use my strength to keep this place for you and Millie. If you can only get well!"

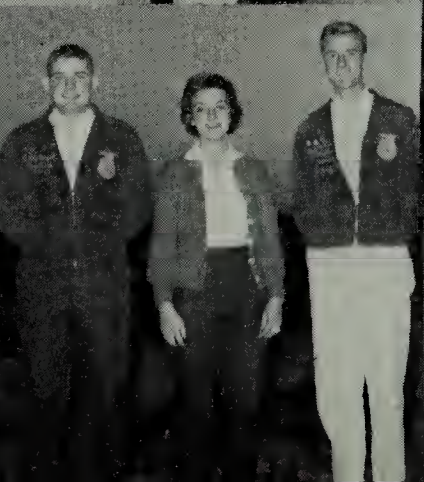

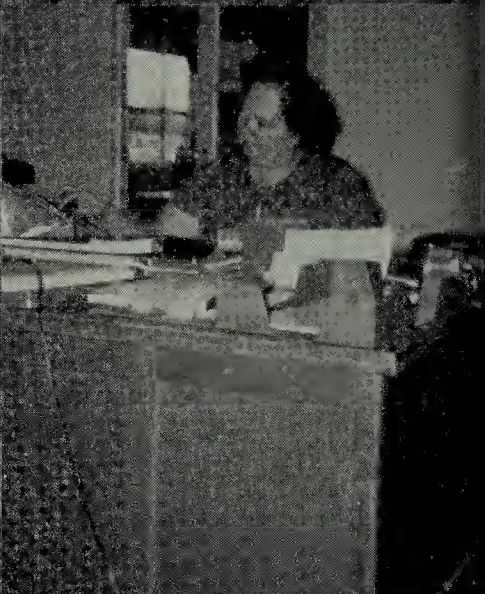

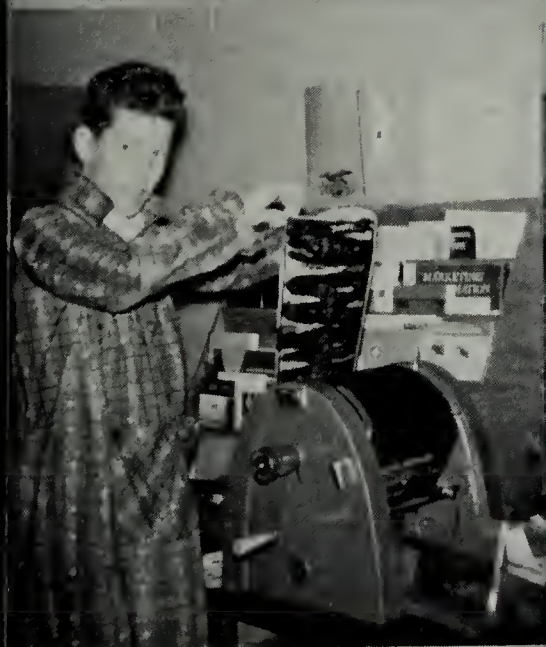

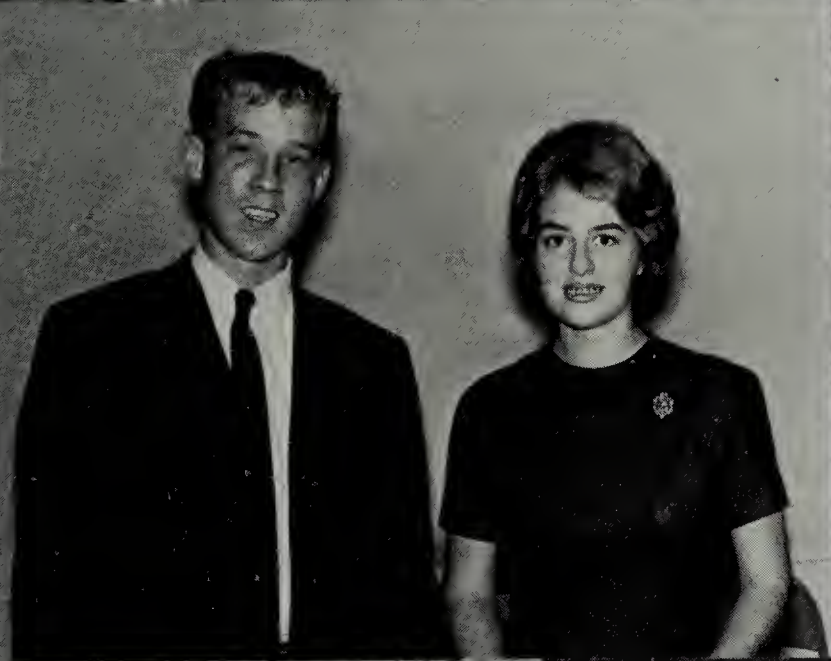

A good stage manager must do everything but carry players on stage.

RAPPAHANNOCK WINS DISTINCTIONS IN FORENSICS

Forensic contestants gained many honors for Rappahannock High School this year. Those students who competed included Donna Sandy, Bobby E. Hinson, Helen Marie Becker, Marion Packett, Mary Anna Sanders, Larry Packett, Ken Jones, Bruce Long, Barbara Kent Acree, Rod Coggin, and Adeline Bowen.

At the district in Fredericksburg Donna Sandy won first place in Girls' Public Speaking, Helen Marie Becker placed first in Girls' Prose Reading, and affirmative debate team — Bruce Long and Adeline Bowen — placed first.

Also bringing recognition to their school were Mary Anna Sanders, who placed second in Girls' Poetry Reading; Bobby E. Hinson, who placed second in Boys' Public Speaking; and Larry Packett, who was third place winner in Boys' Prose Reading.

The four winners, with their advisors, Mrs. Sue Downing and Mrs. Pauline Delano, attended the state meet at the University of Virginia. There Donna Sandy again placed first in Girls' Public Speaking, and the affirmative debate team — Bruce Long and Adeline Bowen — placed third.

Donna Sandy places first in State Public Speaking.

Bruce Long and Adeline Bowen take third in State Debating.

Rappahannock High School is well represented in forensics.

FOUR DELEGATES ATTEND GIRLS' — BOYS' STATE

In July of 1963, four delegates from Rappahannock High School attended Girls' State at Radford College and Boys' State at V.P.I. The delegates to Girls' State were Beverly Anne Delano and Adeline Bowen; Ben Franklin and Brad Lowery attended Boys' State. These two states are sponsored by the American Legion and their Women's Auxiliary.

The purpose of this week was to help develop a greater understanding of the workings of our government. Discussions on the various phases of the government on the community, state, and national level were led by many highly qualified leaders.

Among these were the mayor of Richmond, Virginia, Mrs. Eleanor Shephard; the governor of Virginia, Albert S. Harrison; and a congressman for North Carolina, William Jennings Bryan Dorn.

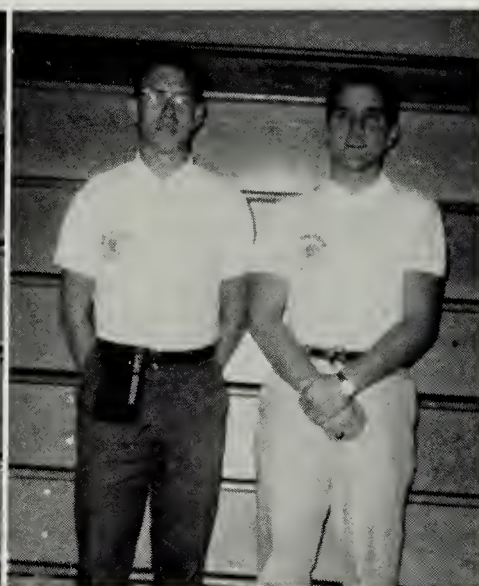

The delegates also ran a mock government of their own, having two political parties, city and state elections, and party conventions. The week was climaxed by the election of the Governor, Lieutenant Governor, and Attorney General of both states. This week was most enjoyable and informative, and all delegates returned home with a broader knowledge of their government.

The four delegates.

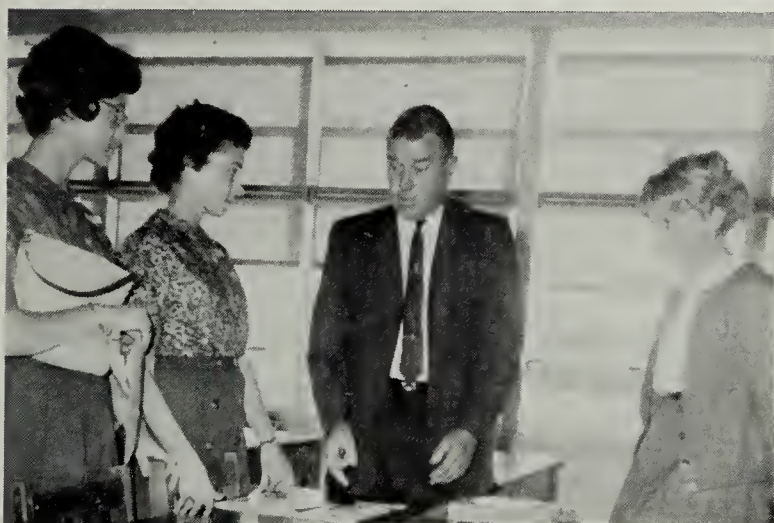

Delegates to Girls' State—Adeline Bowen and Beverly Delano.

Delegates to Boys' State—Ben Franklin and Brad Lowery.

RAPPAHANNOCK — HOST SCHOOL ON COLLEGE DAY

Lucy Rice, Nancy O'Dell, and a College Day visitor discuss prospects of attending Madison College with representative.

Parents are talking with representatives of Johnston-Willis Hospital.

On Thursday, October 11, Rappahannock High School hosted the area high schools on the annual College Day. This day enabled students to confer with representatives of the colleges of their choice about college programs, requirements, and studies.

Over fifty representatives of institutions of higher learning, including colleges and universities, business schools, nursing schools, and the Armed Forces were invited to attend. An estimated forty-seven were in attendance.

Well over five hundred area high school juniors and seniors from eleven high schools of the Northern Neck and the Middle Peninsula attended. Each student had three interview choices.

Rappahannock students feel that much was gained from the day.

Among the College Day guides are Doris Delano, Jan Wilson, and Ken Jones.

SENIORS TOUR WASHINGTON, D.C.

A distinct feeling of excitement pervaded the air as one by one, we seniors arrived at school to leave on our senior trip. A sense of togetherness enveloped us as the bus left, and even the cloudy snowiness of the cold, early morning could not dim our spirits. Our day was finally here.

To merely say that we enjoyed ourselves would be a gross understatement. Accompanied by Mrs. McKenney, Mrs. Lowery, Mrs. Clements, and Mr. Booker, we watched the changing of the guard at the Tomb of the Unknown Soldier, walked up the Washington Monument, (here the adults insisted that we make this trip alone!), toured the Capitol, took a subway ride under the streets to the Senate Office Building, were guided through the Library of Congress, and walked through the Supreme Court Building.

To complete a wonderful day, we were taken to the beautiful waterfront restaurant, Hogate's, where we all enjoyed a superb meal.

Needless to say, at 6:00 45 weary, over-stuffed, but completely satisfied seniors boarded the bus for home with many new and humorous experiences to relate to friends, and many wonderful memories to cherish.

Is it the price or the food that's bothering you girls?

That was a joke on you, Brad.

We're the mighty seniors!

The changing of the guard at the Tomb of the Unknown Soldier.

Seniors begin hike up to the Capitol.

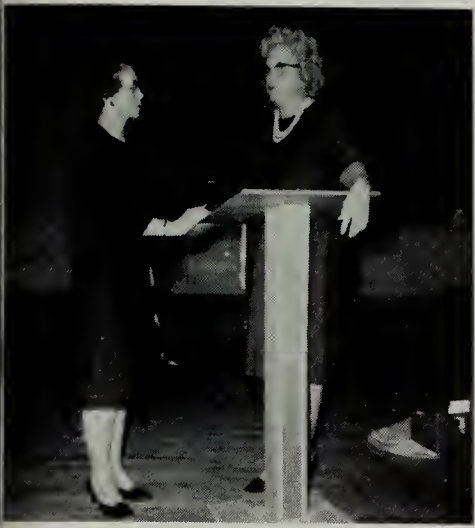

The majestic Supreme Court Building fascinates seniors.

Camera shy, seniors?

SPECIAL ASSEMBLY SNAPSHOTS

Mrs. Warren discusses health careers with Mrs. McKenney.

Some friendly conversation after the program.

Mrs. Warren meets the parents.

Larry Altaffer, presidential candidate, gives his campaign speech.

Presidential nominee, Barbara Acree, concludes her campaign with a speech.

Vice-Presidential nominees, Ken Jones and Bonnie Bowis, are questioned concerning their office.

Connie Hinson and Rosa Sanders, secretarial candidates, give their qualifications.

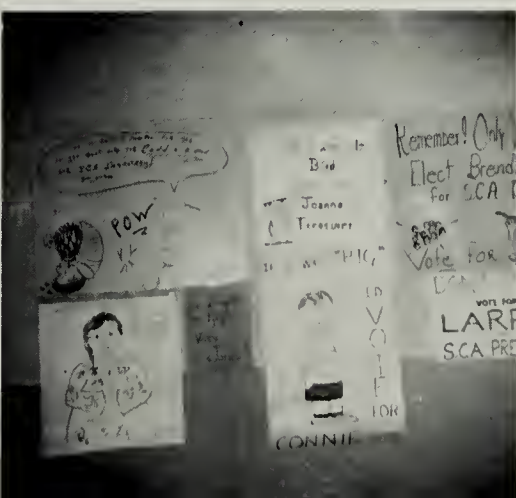

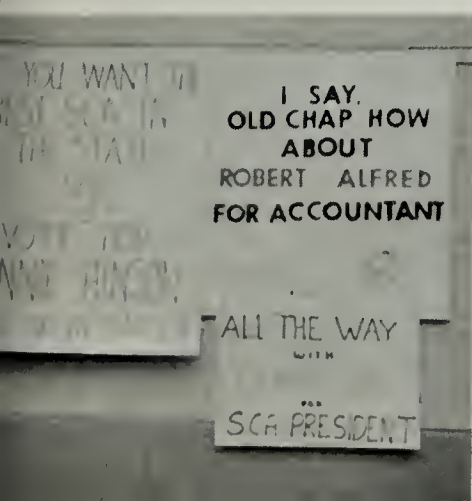

Rod Coggin, Fred Gouldin, Brenda Hinson, and Joanna Davis are treasurer nominees.

The newly elected officers are sworn in by Mr. Haley, Sponsor.

SENIOR CLASS PLAY, ROOM AND BORED, SCORES A HIT

Under the direction of our sponsor, Mrs. Blanche McKenney, the Senior Class presented the three-act play, *Room and Bored*, by John Henderson on the evening of April 24.

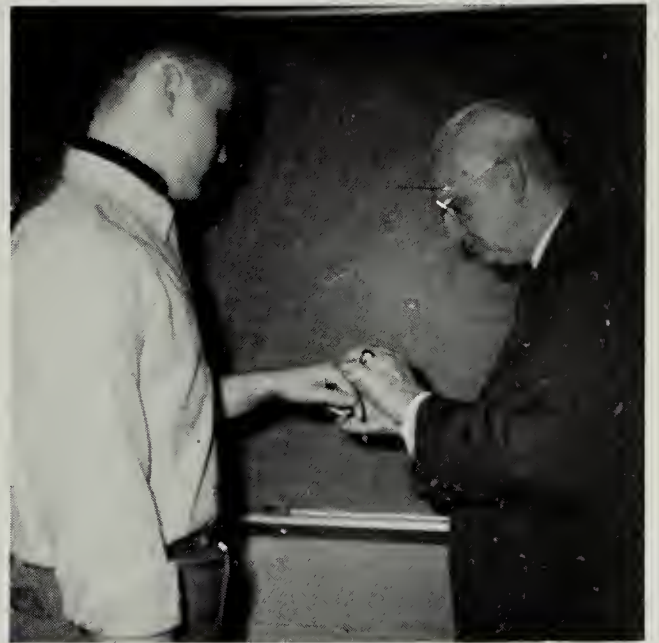

The cast of characters included Larry Wertman, as Ray Collins, father and writer; Donna Sandy, as Jean Collins, the younger daughter; Nancy O'Dell, as Sylvia Collins, the mother; Brad Lowery, as Tony Foster, a town boy; Janis Parker, as Mrs. Aiken, a neighbor; Ray Fidler, as Clyde Aiken, her timid son; Faye Burgess, as Claudia Collins, the older daughter; Marion Packett, as Craven Bentley, a would-be poet; Rusty Settle, as Silas MacNabb, the town constable; Glenda Dameron, as Dotty Foster, Tony's sister; Donna Bryant, as Mrs. Audubon, a bird watcher; Shirley Marks, as Nell Bowden, Ray's agent; Sally Clements, as Mrs. Cavendish, an island dowager; Jeanine Marks, as Zeena Deever, a way-out person.

JUNIORS PROUDLY GIVE THEIR ORDER TO MR. SAUNDERS FOR RINGS; SENIORS CHOOSE CARDS AND INVITATIONS

... and this is the emerald.

Well, how did you get it on in the first place?

But, they are all so pretty!

The entire group must decide on one style of invitation.

But there are so many to choose from!

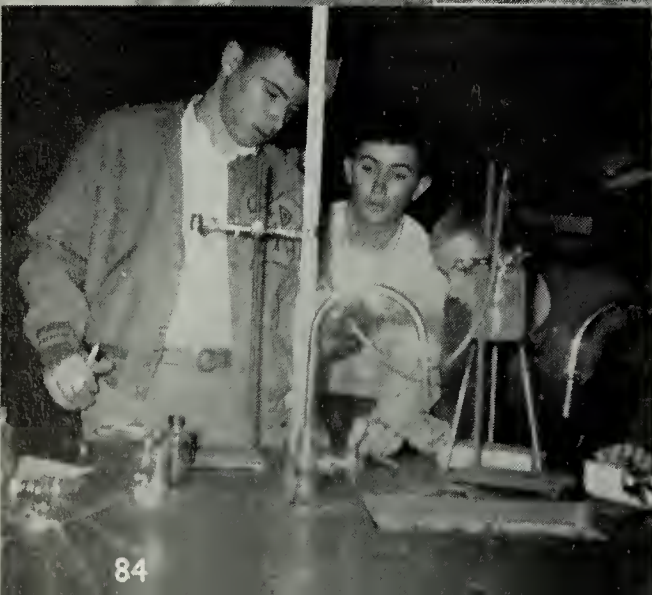

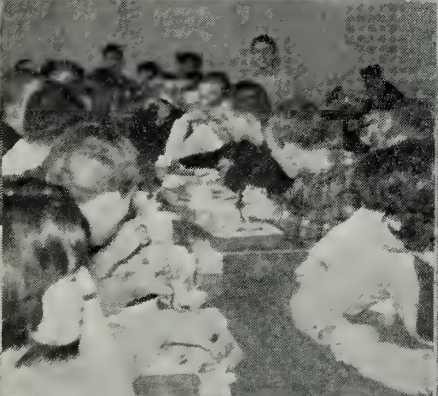

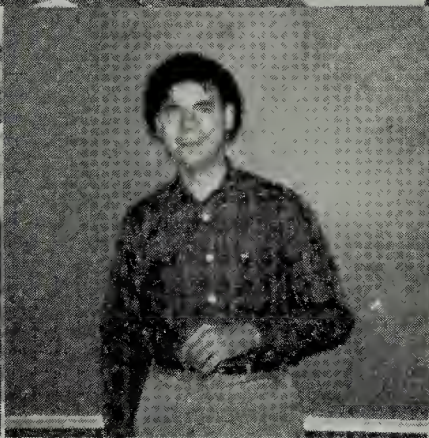

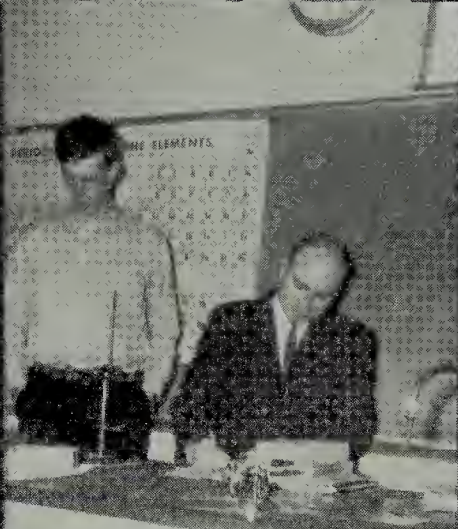

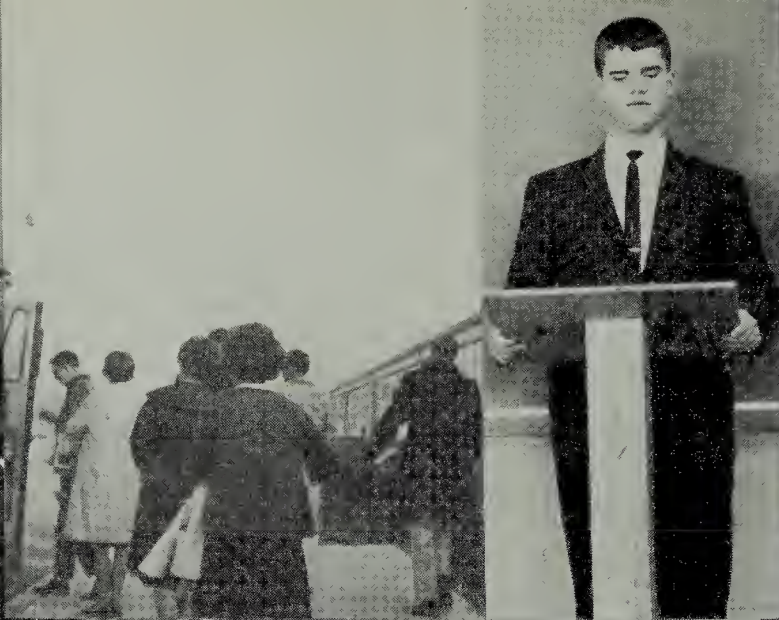

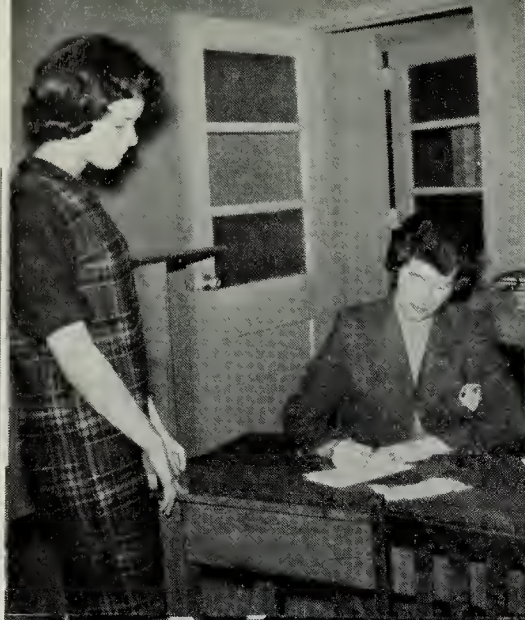

No, Marion, I don't have any birthday cards!

Yeah, it may weigh two pennies, but it costs twenty dollars!

They certainly are cheaper in bubble gum machines.

IN MEMORIAM

JOHN FITZGERALD KENNEDY

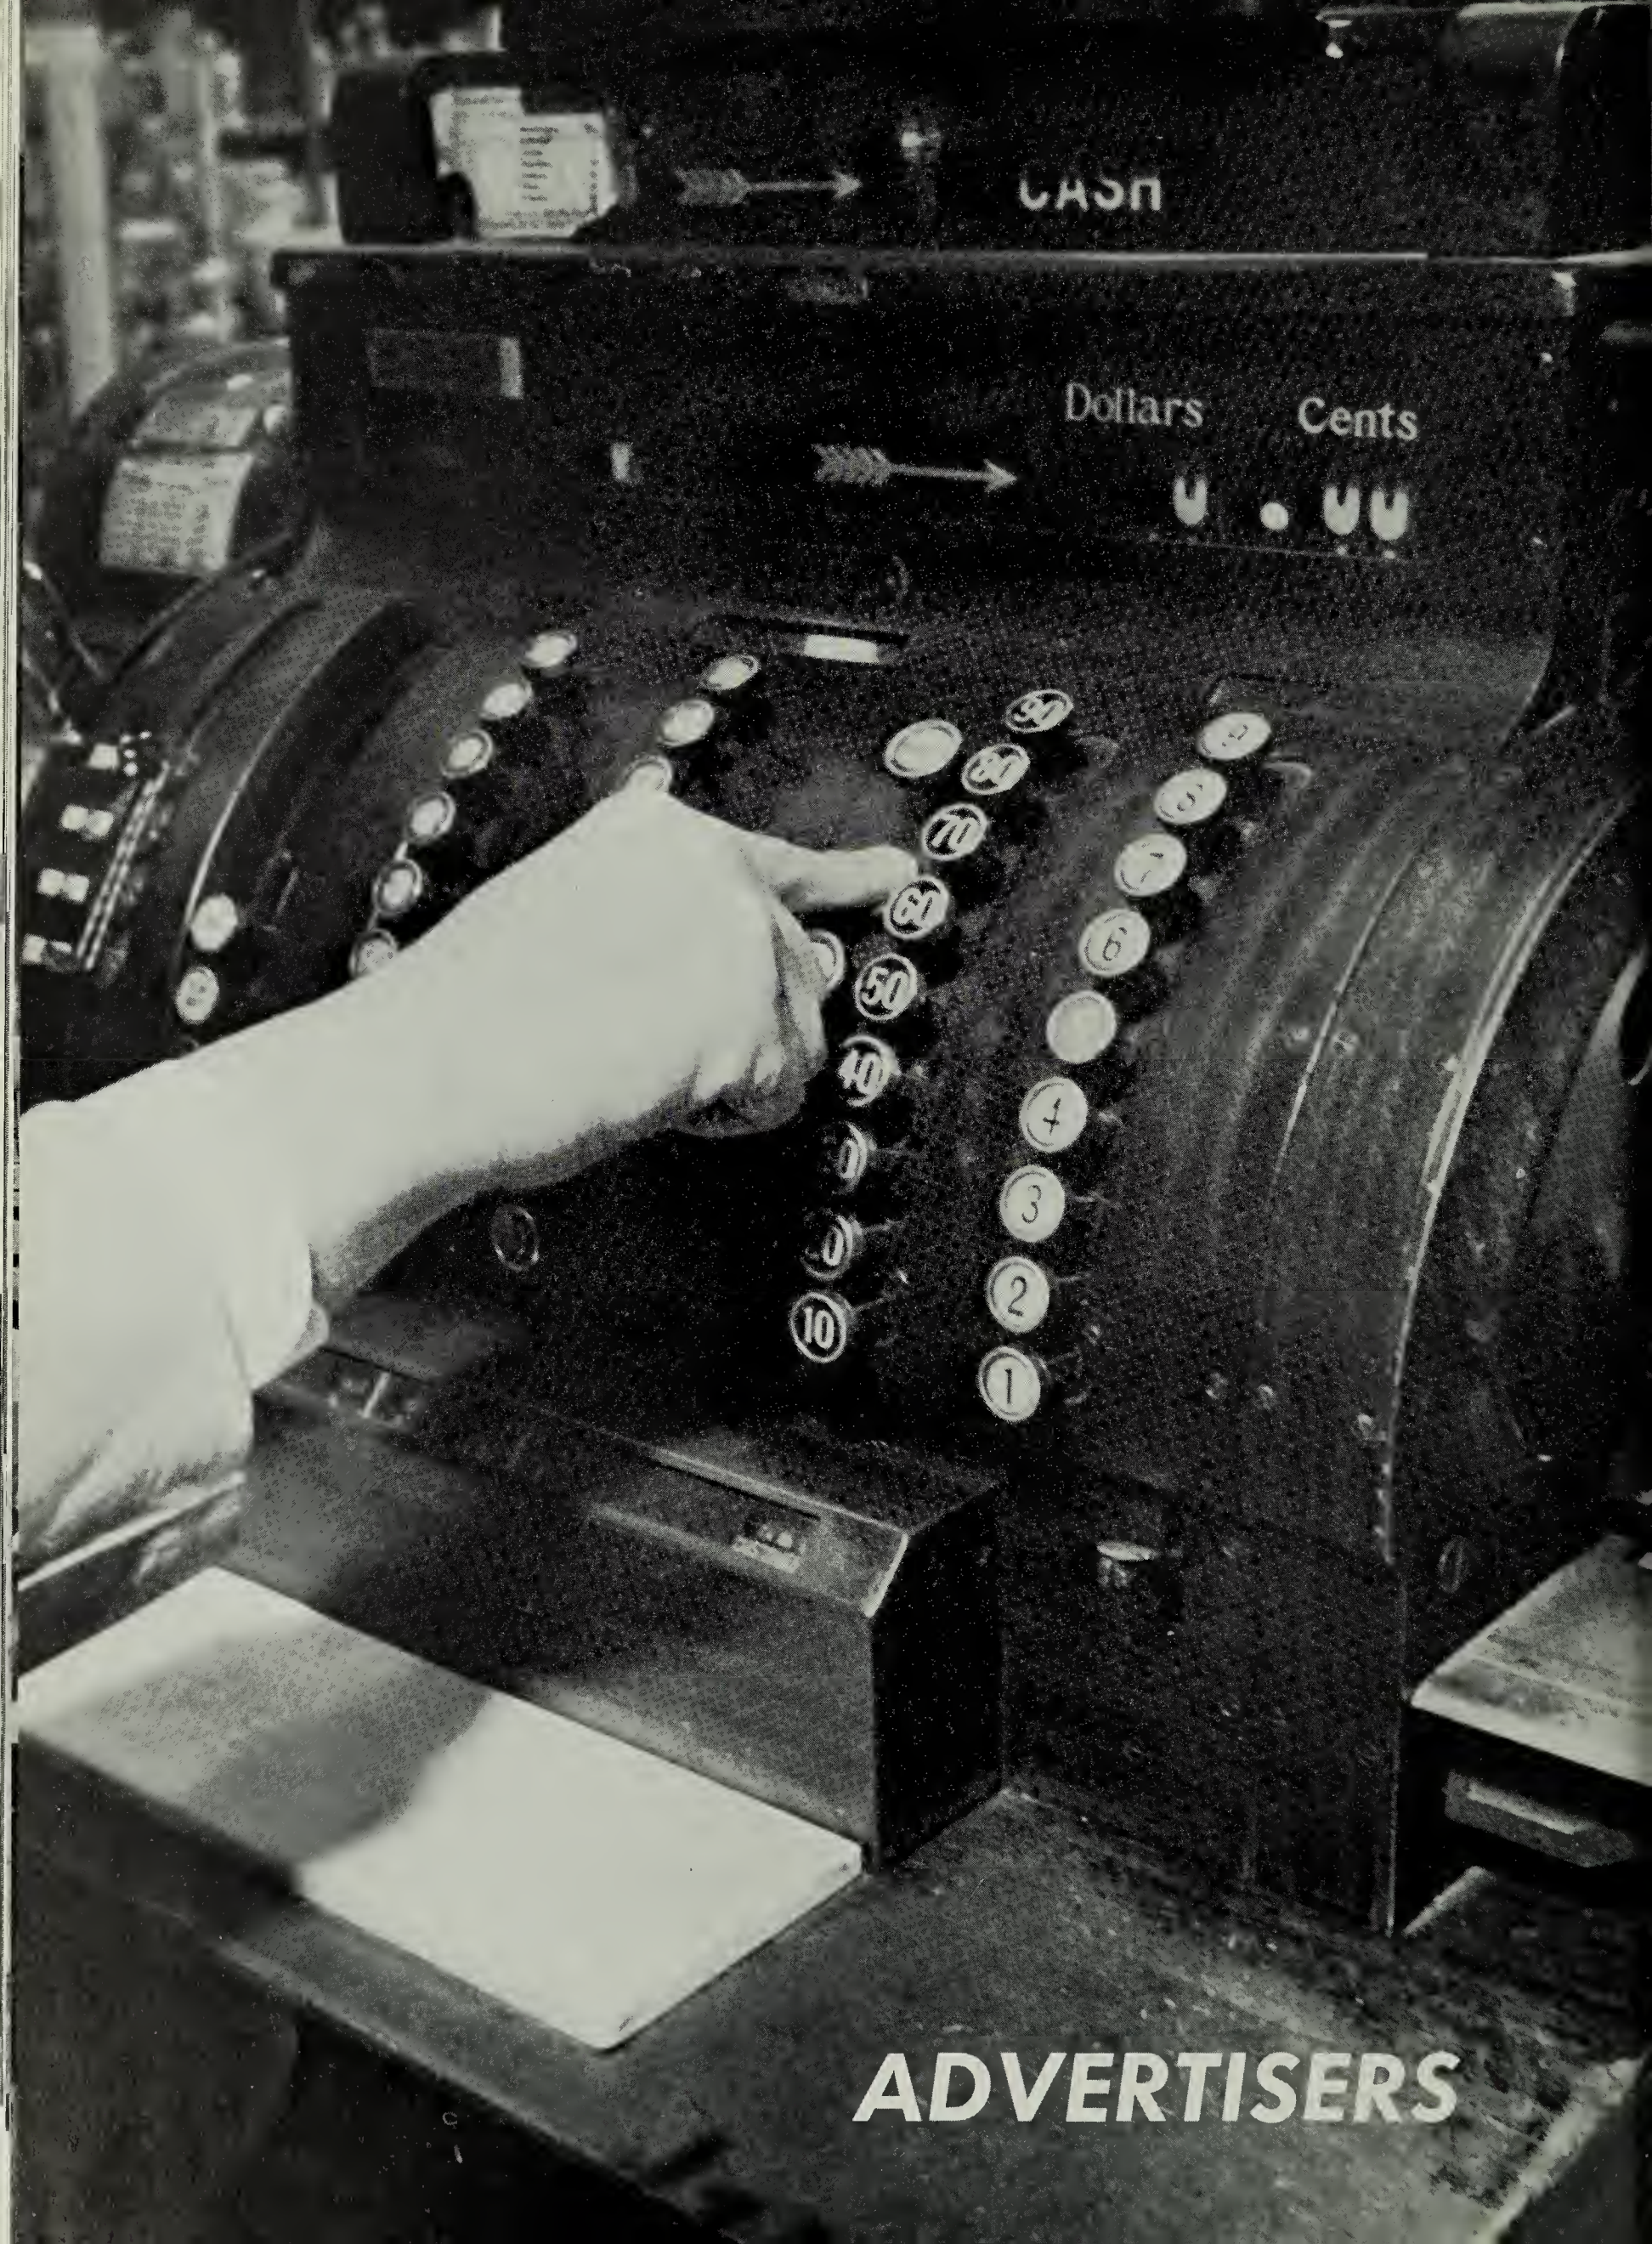

TO A FALLEN LEADER

There was a man who had a dream—
A dream of eternal peace and unity.
There was a man who had a vision—
A vision of equality and truth.
There was a man who had a heart—
A heart full of compassion and grace.
But this man is here no longer.
This man, who loved his country so much
Is gone, never to see again this land he died for,
Never to hear again the laughter of his children,
Never to return the smiles of his pretty wife.
This man, who gave so much,
Was given in return ridicule, slander, and the ultimate
gift—a bullet from the gun of a cowardly assassin.
Three shots rang out in the cheering throng
And our leader fell, never to rise again.

Though he is gone, his memory lives thereafter
In the hearts and minds of those who knew him.
Perhaps now, in this inhuman act,
We shall gain the courage to stand for the things that he
thought were right.
Perhaps now, through this inhuman act,
We shall realize, as never before,
The champion for freedom that we had.

Three shots rang out in the cheering throng
And our leader fell, never to rise again.
Dear God, let it be not, that he died in vain!

ACKNOWLEDGMENT

We express our thanks and appreciation to the following without whose help the 1964 CONFEDERATE could not have been published.

THE ADVERTISERS for their interest, support, and cooperation.

TAYLOR PUBLISHING COMPANY for printing our book, and MR. LESTER PETERSON for his advice and friendship.

DELMAR STUDIOS, INC., MR. DILLARD HALEY, MR. JAMES STOVER, and MR. FORREST PATTON for the excellent photography.

MRS. ANNA MAE SANDERS for her patience, confidence, assistance, and devotion.

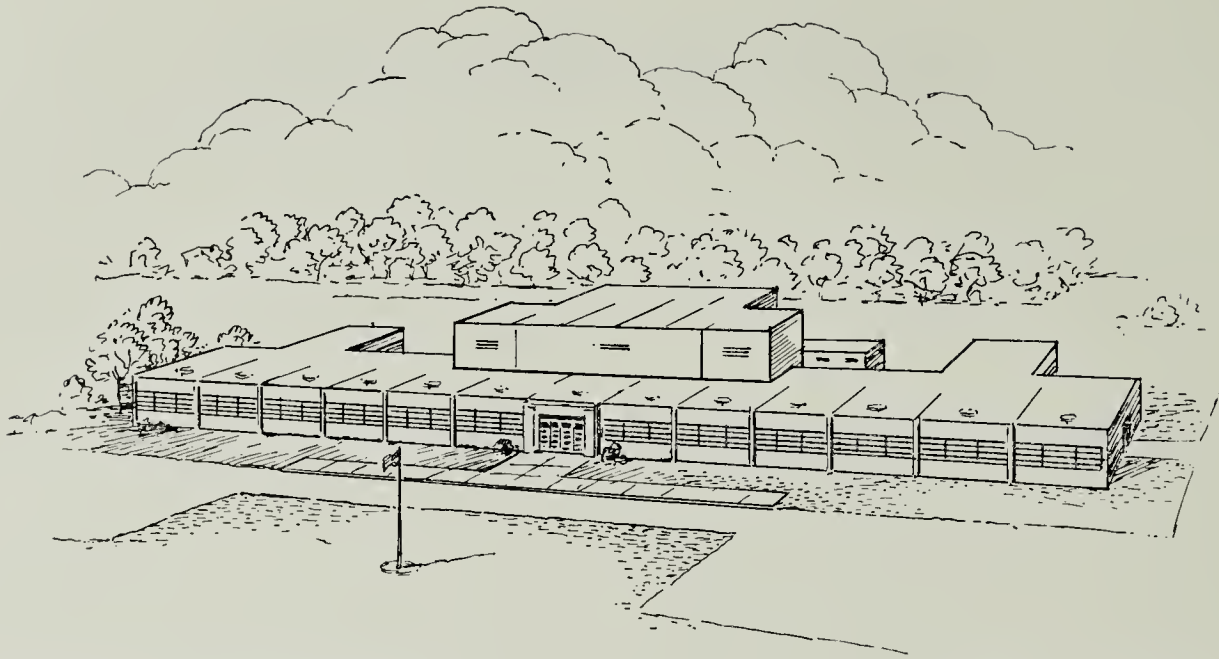

MRS. BLANCHE E. McKENNEY for her proofreading, and suggestions as our literary advisor.

THE STUDENT BODY, FACULTY, and ADMINISTRATION for their interest, support, and cooperation.

THE STAFF for their untiring efforts, patience, and cooperation.

We hope that you will find here what we have tried so hard to create—memories of a wonderful year at Rappahannock.

ALMA MATER

Our favor'd school, we hail to thee,
Rappahannock, Rappahannock;
Our truth and love and loyalty,
Rappahannock, Rappahannock;
We're here to learn that truth and right
Will lead us through the darkest night,
We'll look to thee for strength and light,
Rappahannock, Rappahannock.

When all our days in thee are through,
Rappahannock, Rappahannock;
We'll always hold fond mem-o-ries
Of you dear Rappahannock.
When all our friends from here are gone,
And we are in the world alone—
Thy name will bring us thoughts of home,
Rappahannock, Rappahannock.
